# Hook new

Hook es libre, no necesita instalación. Es una lámpara portátil con gancho para que la sitúes donde prefieras. Es versátil y ergonómica. Su gancho se adapta totalmente a la posición de la mano al agarrarla. Está fabricada 100% en España.

*Hook is independent and requires no installation. It is portable lamp with a hook to be placed wherever you like.*

*It is versatile, ergonomic and very ecological. Its hook fully adapts to the position of the hand when held. 100% Made in Spain.*

Multifuncional, Hook cuenta con una serie de accesorios compatibles.  
*Multifunctional: Hook has a series of compatible accessories.*

## VERSATILITY

Revistero Magazine rack

Estante Shelve

Aptique Wall lamp

## ECOLOGIC & SOLIDARY

**mary's  
meals**

a simple solution  
to world hunger

Hook es ecológica ya que en su fabricación se ha utilizado plástico reciclado y materiales libres de tóxicos.

Además, es un diseño solidario: cada luminaria vendida equivale a alimentar a un niño durante todo un curso escolar gracias a nuestra colaboración con la ONG Mary's Meals.

*Hook is ecological, it's manufactured with recycled plastic and toxic-free materials were used in its manufacture. Moreover, it is a design that helps others. Each light fixture sold will feed one child for an entire school year thanks to a collaboration with the NGO Mary's Meals.*

**1 LÁMPARA = 1 NIÑO ALIMENTADO  
DURANTE 1 AÑO ESCOLAR.**

**1 LAMP = 1 CHILD FED FOR 1 SCHOOL  
YEAR.**

Studio

# Hoshi

new

Elegancia y originalidad se dan la mano en esta sorprendente creación. Hoshi baña de luz las superficies donde es ubicada, consiguiendo emitir una luz difusa y acogedora. Incorpora un interruptor que permite regular la intensidad de su luz LED, lo que la hace altamente funcional además de decorativa y sostenible. Hoshi combina los colores en tendencia como son el cobre y el oro con el negro, consiguiendo así un diseño sofisticado y distinguido.

*Elegance and originality come hand in hand in this amazing creation. Hoshi bathes the surfaces where it is placed in light by emitting diffuse, cosy light. It includes a switch that allows the intensity of its LED light to be regulated, making it highly functional, as well as decorative and sustainable. Hoshi combines on-trend colours like copper and gold with black, creating a sophisticated, distinguished design.*

Faro  
Team

# Ten new

Ten esconde la magia de la luz en su tímida apariencia. Una colección formada por una luminaria versátil que funciona como aplique o plafón, y una sobremesa. Sus dimensiones reducidas y su facilidad de instalación, la convierten en una solución de iluminación práctica a la vez que decorativa. Ten se presenta en diferentes acabados: cobre, oro, blanco, negro y níquel para que los combines o elijas el que más te guste.

*Ten's unassuming appearance belies the magic of light. A collection shaped by a versatile light that functions as a wall lamp, ceiling lamp or table lamp.*

*Its small size and easy installation make it a practical, as well as a decorative lighting solution. Ten comes in different finishes: copper, gold, white, black and nickel, so you can combine them or choose the one you like the most.*

Jordi  
Busquets

# 1968

Inspirada en un objeto cotidiano de la década de los 60, reinterpretada y convertida en una pieza contemporánea y altamente decorativa. Un diseño que está a pie entre un objeto de decoración y una luminaria. Una bella forma de iluminar y decorar el espacio, con su suave y envolvente cuerpo, fusión entre luz y artesanía.

*Inspired by an everyday object from the 1960s, reinterpreted and turned into a contemporary, and highly decorative piece. A design that stands between a decorative object and a light fixture. A beautiful way of lighting and decorating a space, with its soft, enveloping body, the fusion between light and craftsmanship.*

## CRAFTMANSHIP

Fabricada íntegramente en España con madera curva de gran calidad tallada en Valencia y ensamblada en talleres artesanales de Torelló. Su difusor, de tela blanca, matiza la luz suave que proviene de una fuente LED regulable.

*Entirely manufactured in Spain with high quality bentwood carved in Valencia and assembled in artisan workshops in Torelló. Its shade diffuser, made from white fabric, tones down the soft light coming from a strong regulable LED.*

A finales de los 60, el televisor se expande imparable entre los hogares españoles seduciendo al imaginario colectivo con su gran carcasa de madera y su pantalla curva. 48 años después, Faro Barcelona y Jordi Busquets rinden un sentido homenaje a aquella televisión pionera de un solo canal, que se ha convertido en un auténtico icono.

*In the late 1960s, the spread of television among Spanish homes was unstoppable, seducing the collective imagination with its large wooden case and curved screen.*

*Forty-eight years later, Faro Barcelona and Jordi Busquets pay tribute to that pioneering single-channel television that has become a true icon.*

## INSPIRATION

Marina  
Milà

# Lula

Diseñada en la ciudad condal, es simpática y amable, muy funcional y polivalente y combina el metal y la tela para dar servicio en prácticamente cualquier rincón: mesitas, aparadores, consolas, barras.

Lula es una lámpara de sobremesa con aire escultórico, ligera, de formas suaves, agradable a la vista y austera, sin elementos superfluos. Su simplicidad le da esa belleza y estilo que caracteriza su diseño.

*Designed in Barcelona, it is pleasant, warm, very functional and multi-purpose, and combines metal and fabric, for use practically anywhere: night stands, sideboards, consoles, bars.*

*Lula is a table top lamp with the air of sculpture, light, with soft forms, pleasant to look at and austere, with no superfluous elements. Its simplicity gives it the beauty and style that characterises its design.*

Pepe  
Llaudet

# Akane

Akane está inspirada en los tradicionales farolillos de oriente, reproduce la extrema sensación de calidez que producen y la magia que transmiten cuando están encendidos. La pureza de sus formas y la elección de los materiales son piezas claves para favorecer su perdurabilidad en el tiempo. Fabricada 100% en España.

*Akane is inspired by the traditional street lamps of the east, it reproduces the extreme sensation of warmth they produce and the magic they transmit when they are lit. The purity of their forms and choice of materials are key to them prevailing over time. 100% manufactured in Spain.*

Pepe  
Llaudet

# Versus

Simple, integrable y versátil.  
Objeto contemporáneo y de  
geometría clásica que se forma a  
partir de dos elementos cónicos  
del mismo material y naturaleza  
unidos formando un solo ele-  
mento lumínico singular.

*Simple, easily-integrated and  
versatile. A contemporary object  
with a classic geometrical design  
formed from two conical elements  
of the same type and material,  
to form a single,  
unique lighting  
element.*

Nahtrang

# Pauline

Pauline nos devuelve a las esencias racionalistas de los años sesenta en las que las soluciones mínimas se convierten en imprescindibles y necesarias.

Un juego entre la luz y la sombra inician esta aventura.

La investigación entre la calidez y el confort se ven ejemplificadas en esta delicada pieza. La luz se escapa entre las rendijas de madera que las envuelve creando una mágica atmósfera donde la colocamos.

*Pauline brings us back to the rationalist essence of the sixties when the minimum solutions become essential and necessary. A game between light and shadow start this adventure.*

*The research between the warmth and comfort are exemplified in this delicate creation. The light comes out through the wood, creating a magical atmosphere.*

Xjer  
Studio

# Planet

Los barceloneses Xjer Studio son los responsables de Planet, una luminaria colgante de estilo moderno y minimalista, sobria y elegante. Lámpara con personalidad, sólida y elegante, como el universo en sí mismo, repleto de planetas orbitando alrededor de una estrella.

*The Barcelona natives Xjer Studio are responsible for Planet, a pendant light with a modern, minimalist style that is restrained and elegant, like the universe itself, full of planets orbiting a star.*

Jordi  
Llopis

# Cocotte

La primera creación de Jordi Llopis para Faro Barcelona fue un plafón elegante, sobrio y atemporal que se integraba perfectamente en casi cualquier estancia garantizando una iluminación general y homogénea. Ahora, y gracias a un simple pero ingenioso kit compuesto por un florón y tres cables metálicos, es posible convertir a Cocotte en una lámpara de suspensión. Con él, Cocotte se aleja del techo y adquiere una nueva función.

*Jordi Llopis' first creation for Faro Barcelona was an elegant, restrained and timeless ceiling light that was perfectly incorporated with almost any room, guaranteeing overall and homogenous lighting.*

*Now, and thanks to a simple, but ingenious kit comprising a tailpiece and three metal wires, Cocotte can be turned into a suspension lamp. In this way, Cocotte moves away from the ceiling and acquires a new function.*

Jordi  
Busquets

# Papillon

Un colgante diseñado por Jordi Busquets perfecto para ambientes con exigencias cambiantes de iluminación. Papillon tiene una pantalla que permite ser manipulada para graduar su obertura e influir en la cantidad de luz que emite la lámpara. Está disponible en blanco y en negro, y en dos tamaños: de 48cm y de 68cm de ancho.

*A pendant light designed by Jordi Busquets, which is perfect for environments with changing lighting needs. Papillon has a shade that can be handled to adjust its opening and to influence the amount of light emitted by the lamp. It is available in white and black and in two sizes: 48 cm and 68 cm wide.*

Nahtrang

# Pluma

Pluma es una pieza tan delicada como discreta que cae del techo evocando una sencilla expresión de detalle. De forma muy ligera, el cuerpo principal proyecta una pequeña rendija vertical por donde se escapa la luz de forma sugerente.

*Pluma is a delicate piece and discreet piece hanging from the ceiling, evoking a simple expression of detail. With a very light shape, the main body casts a small vertical slit through which a suggestive light comes out.*

Conillas

# Pérgamo

Pérgamo es contraste en su estado más puro. Contraste entre materiales y colores. Una pieza tan delicada como el material del que está hecha y que invita a descifrar el mensaje que esconde en su interior.

*Pérgamo is contrast in its purest form. The contrast between materials and colours. A piece that is as delicate as the materials from which it is made that invites you to decipher the message that it hides in its interior.*

Christoph .F.  
Wagner

# Whizz new

Whizz es una familia de luminarias concebidas de forma modular: la pantalla se puede situar tanto en la estructura de la lámpara de pie como en la del aplique. Además, presenta una versión en suspensión, estilizada y distinguida. De estilo minimalista, Whizz recoge las tendencias actuales combinando de una forma sorprendente y estilosa el metal negro con el oro. Se adapta tanto a espacios privados como a estancias de hoteles, restaurantes y oficinas.

*Whizz is a family of lights conceived in a modular way: the shade can be placed on the structure of the floor lamp and on the light fixture. It also comes in a stylish and distinguished suspension version. Minimalist in style, Whizz incorporates current trends by combining black metal with gold in a wonderfully stylish way. It adapts to both private spaces and to hotel suites, restaurants and offices*

Àlex&Manel  
Llusçà

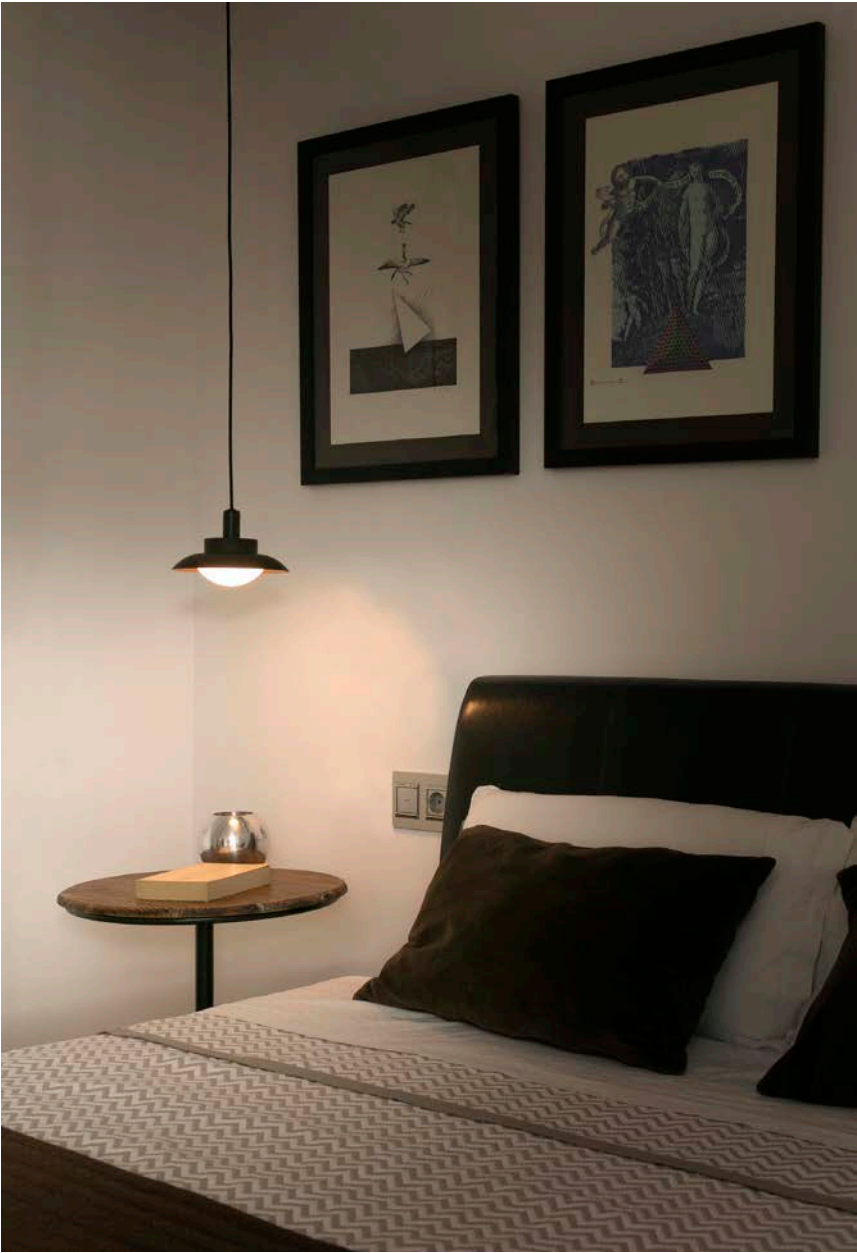

# Side new

¡El brillo ha vuelto! El triunfo de los metales en oro, cobre y níquel es una realidad en los estilos de decoración actuales. Side es sofisticado y elegante, además de tremendamente versátil: la luminaria de pared puede situarse como aplique o plafón. Idónea para ambientes clásicos o actuales, Side es la elegancia hecha luminaria. ¡Apuesta por el chic y con un toque muy personal!

*Brightness is back! Gold, copper and nickel metal are really dominating current decor styles. Side is sophisticated and elegant, and also tremendously versatile: the wall light can be placed as a fixture or canopy. Ideal for classic or modern ambiances, Side is elegance translated into lighting. Its emphasis is on chic, with a very personal touch!*

Estudi  
Ribaudí

# Flash new

Luminarias para ofrecerte diseño, funcionalidad y confort visual. Una simpática familia de formas redondeadas disponible en blanco y negro. Un destello de luz que acompaña y decora tu espacio. La suspensión alargada es ideal para situar encima de mostradores y barras.

*Stylish fixtures that get close to you to offer you design, functionality and visual comfort. A lovely family of rounded shapes available in white and black. A burst of light that accompanies and decorates your space. The elongated suspension is ideal to place above counters and bars.*

Nahtrang

# Mine new

Sobria. De estilo nórdico. Una estética relajada que se consigue por sus formas y sus suaves acabados: blanco y gris. Mine transmite tranquilidad y se integra en los espacios, sin importunar, de una forma agradable. Emite una luz difusa y confortable, que invita a la relajación. Déjate llevar por su luz y sus formas. ¡Hazla tuya!

*Understated. Nordic style. A relaxed aesthetic that is achieved through its forms and soft finishes: white and grey. Mine conveys tranquility and pleasantly integrates into spaces without getting in the way. It emits a diffuse, comfortable light that invites relaxation. You will be wowed by its light and shapes. Make it yours!*

## CUSTOMIZE YOUR MINE

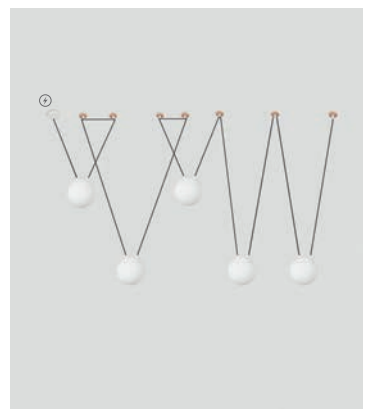

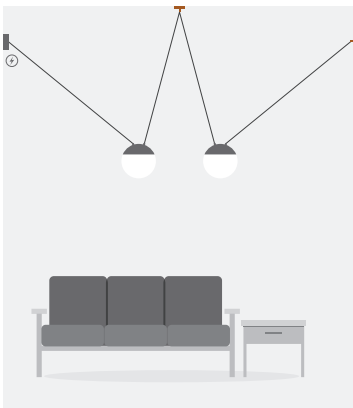

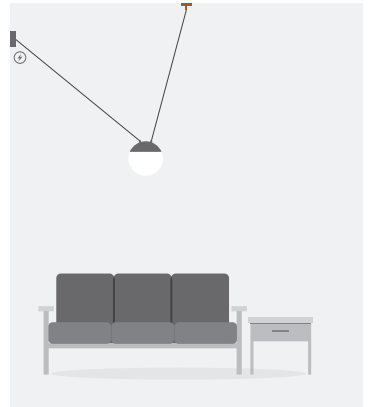

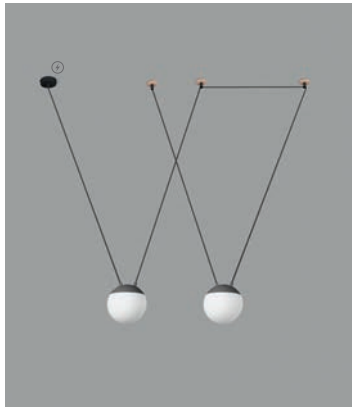

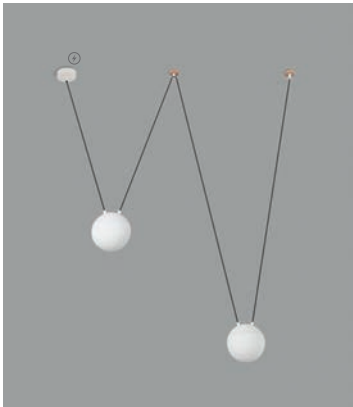

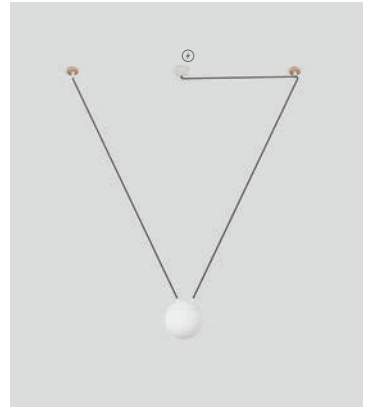

Puedes elegir:

Metros de cable  
Número de ganchos  
Envíanos tu petición a [customize@faro.es](mailto:customize@faro.es)

*You can choose:  
Number of balls  
Metres cable  
Number of hooks  
Send your demand on [customize@faro.es](mailto:customize@faro.es)*

## SOME EXAMPLES

Àlex&Manel  
Llusçà

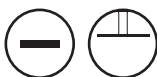

# Conik

Cuando conjugamos nuevas técnicas de la luz con la sencillez en las líneas y la dignidad de las texturas, aparece Conik. Una propuesta técnica y decorativa a la vez. Una familia de apliques y colgantes lineales fabricados en aluminio con difusor de polietileno. El colgante se convierte en un elemento ligero pero de gran potencia gracias al uso de la tecnología LED. Mientras que el aplique presenta una doble funcionalidad, hacia arriba como luz de ambiente o hacia abajo como si de un iluminacuatros se tratase.

*Conik is what happens when we combine new lighting techniques with simple lines and dignified textures. A technical, yet decorative proposal. A family of wall lamps and linear pendants manufactured in aluminium with a polyethylene shade.*

*The pendant becomes a light, but it's a very powerful element thanks to the use of LED technology. Meanwhile, the wall lamp has double functionality, upwards for mood lighting or downwards as if it were a picture light.*

Àlex&Manel  
Lluscà

# Retro

Explican Àlex & Manel Lluscà que diseñaron este modelo “con la nostalgia de los años 60”, investigando en la decoración de la década y buscando formas y colores con un marcado estilo vintage. Sobre esta base conceptual construyeron la serie Retro. Una completa familia de apliques, plafones, colgantes, sobremesas y lámparas de pie en metal.

*Àlex & Manel Lluscà explain that they designed this model “with nostalgia for the 1960s,” researching the decor of the decade and looking for shapes and colours with a marked vintage style. On that conceptual basis, they constructed the Retro series, a complete family of wall lamps, ceiling lights, pendants, table top lamps and metal floor lamps.*

Jordi  
Busquets

# Lupe

Un modelo de corte clásico que sorprende por la original unión entre la pantalla y el cuerpo. Una excelente solución que tiene un sutil puente entre tradición y modernidad.

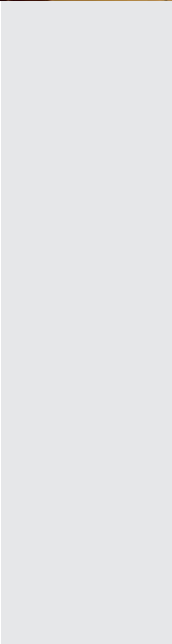

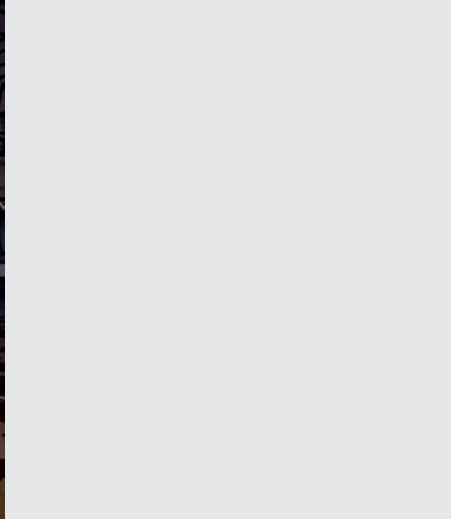

Lupe es una lámpara amigable que gracias a su novedoso sistema de colocación de la bombilla mediante entrada lateral, permite tener una pantalla completamente iluminada y además una luz libre de sombras tanto por arriba como por abajo, creada para iluminar de la forma más limpia posible.

*A model with a classic cut that amazes because of the original union between the shade and the body. An excellent solution that stretches out a subtle bridge between tradition and modernity.*

*Lupe is a friendly lamp that, thanks to its new bulb placement system through the side entry, enables you to have a completely lit shade and also a shadow-free light, both upwards and downwards, created to light as cleanly as possible.*

Àlex&Manel  
Lluscà

# Fusta

Fusta es una serie de Alex & Manel Lluscà, que destaca por la belleza de sus acabados y la combinación entre madera natural, metal y tela. Un diseño esencial y puro que genera una luz cálida y muy agradable.

Una colección actual que consigue armonizar la calidez de la madera con la frialdad del metal.

*Fusta is an Alex & Manel Lluscà series that stands out for the beauty of its finishes and the combination of natural wood, metal and fabric. An essential, pure design that generates a warm and very pleasant light. A current collection that manages to harmonise the warmth of wood with the coldness of metal.*

Nahtrang

# Berni

Berni se define por un equilibrio controlado. La pantalla flota sobre una estructura sinuosa que perfila el contorno de cada pieza. Una familia de luminarias diseñada por Nahtrang que destaca por su estudiada simplicidad y sus formas puras. Con un estilo depurado y unos detalles muy cuidados, difumina la luz creando atmósferas tranquilas y apacibles.

*Berni is defined by a controlled equilibrium. The shade floats on a sinuous structure that profiles the contour of each piece. A family of light fixtures designed by Nahtrang that stands out for its studied simplicity and pure forms. With a refined style and some very careful details, it blurs the light, creating peaceful and calm atmospheres.*

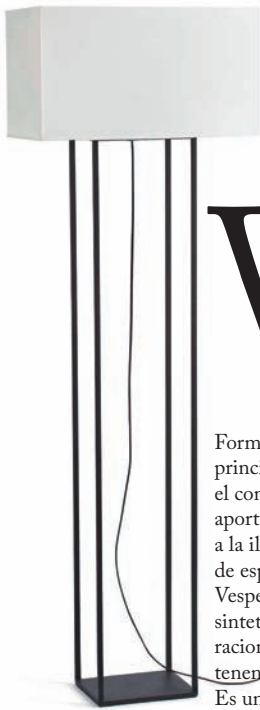

Nahtrang

# Vesper

new

Formada por dos cuerpos principales que juegan con el concepto lleno/vacío, aportando un aire moderno a la iluminación del hogar y de espacios contract.

Vesper nace con la idea de sintetizar la forma clásica y racional del concepto que tenemos de iluminación.

Es un homenaje a Remmi Mackintosh, uno de los arquitectos que rompió esquemas buscando formas puras y racionales.

*Made up of two main bodies that play with the full/empty concept, providing a modern air to the lighting of homes and business spaces.*

*Vesper was born with the idea of synthesising the classic, rational form of the concept we have of lighting. It is a tribute to Rennie Mackintosh, one of the architects who broke the mould by looking for pure and rational forms.*

Estudi  
Ribaudí

# Volta

Atemporal y serena. Una creación de Estudi Ribaudí para espacios elegantes y armoniosos. Formada por un aplique, una lámpara de pie, una sobremesa y un colgante. Volta es ideal para espacios contract. Su amplia gama de productos permite encontrar la pieza perfecta para cada estancia y su sobriedad hacen de ella el objeto ideal para todos los estilos, desde los más clásicos a los más modernos.

*Timeless and serene. A Estudi Ribaudí creation for elegant and harmonious spaces. Composed of a wall lamp, a floor lamp, a table top lamp and a pendant. Volta is ideal for business spaces. Its wide range of products enables you to find the perfect piece for each room and its restrained design makes it the ideal object for all styles, from the most classic to the most modern.*

Àlex&Manel  
Llusçà

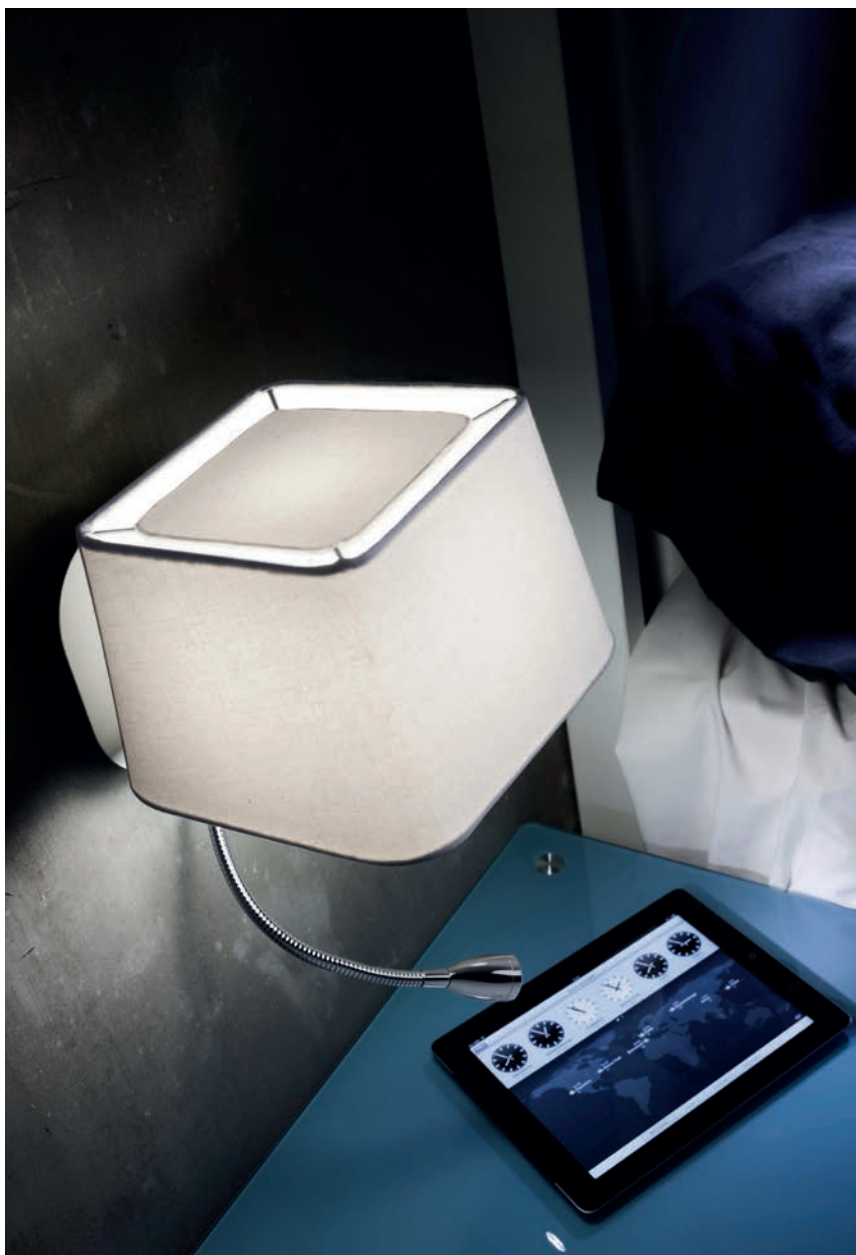

# Hotel

Una serie de línea clásica renovada. Hotel cede todo su protagonismo a la calidez y funcionalidad que aporta su principal elemento: la pantalla. Para conseguir un ambiente sosegado, nítido y agradable.

*The Hotel series aims to achieve a simple and somewhat neutral line, giving prominence to the warmth and convenience it offers. For a relaxed, clean-cut and pleasant environment.*

Estudi  
Ribaudí

# Sweet

Sweet se caracteriza por sus formas redondeadas y la armonía de sus cambios de textura que interactúan con nosotros en perfecto equilibrio.

*Sweet is characterised by its rounded shapes and the harmony of its changes in texture that interact with us in a perfect balance.*

Estudi  
Ribaudí

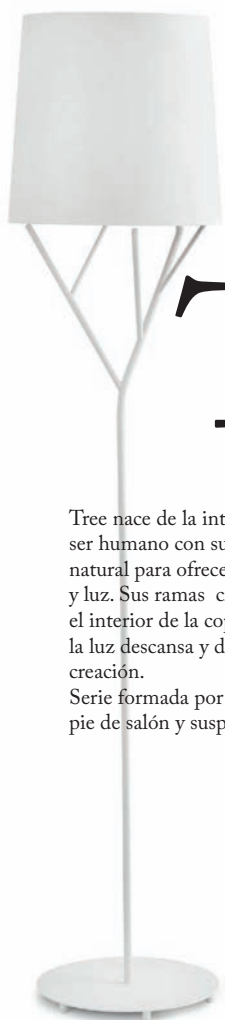

# Tree

Tree nace de la interacción del ser humano con su entorno natural para ofrecer equilibrio y luz. Sus ramas crecen hacia el interior de la copa, allí donde la luz descansa y da vida a la creación.

Serie formada por sobremesa, pie de salón y suspensión.

*Tree is born from the interaction of humans with their natural environment to offer balance and light. Its branches grow towards the interior of the shade, where the light rests and gives life to its creation.*

*The range consists of this desk lamp, floor-standing light and hanging light.*

Àlex&Manel  
Llusçà

# Mix

Mix es una serie de luminarias contemporáneas caracterizadas por una pantalla metálica perforada en color blanco o negro. En sus variantes de sobremesa y colgante, Mix incorpora la madera torneada como elemento estructural y decorativo. Discretas rendijas dejan escapar la luz generando un juego de claroscuros.

*Mix is a series of contemporary light fixtures characterized by a perforated metal shade in white or black. In its desk and pendant variations, Mix incorporates lathe wood as a structural and decorative element.*

*Discrete shutters let light escape, generating a chiaroscuro effect.*

Estudi  
Ribaudí

# Linda

Linda proyecta la luz a través de su estructura, generando una trama de luces y sombras que ofrecen movimiento y dinamismo a nuestros espacios.

Esconde en su interior la calidez de la luz que se proyecta al exterior a través de su estructura de radios metálicos.

Colección formada por sobre-mesa, pie de salón, suspensión y aplique.

*Linda projects light through its structure, creating a pattern of light and shadows that confers movement and energy to our spaces.*

*Linda's interior hides the warmth of the light that is projected to the outside through the metallic spokes of its structure.*

*The collection consists of desk lamp, floor-standing light, hanging light and wall light.*

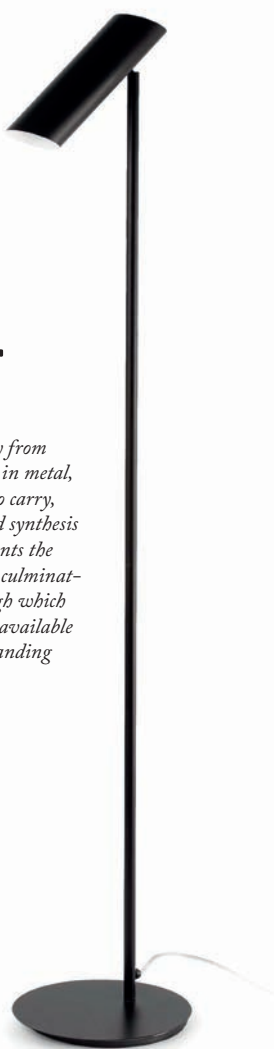

Estudi  
Ribaudí

Elegancia y sencillez de la mano de Link. Completamente realizado en metal, ligero y fácil de transportar, Link es el análisis y la síntesis de un foco. Es la búsqueda del minimalismo, que culmina en un cilindro por el que se desliza la luz. Link está disponible en sobremesa, pie de salón y aplique.

*Elegance and simplicity from Link. Made completely in metal, light weight and easy to carry, Link is the analysis and synthesis of a spotlight. It represents the search for minimalism, culminating in a cylinder through which the light flows. Link is available as a desk lamp, floor-standing lamp and wall light.*

Àlex&Manel  
Llusçà

# Winch

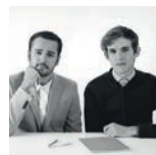

Inspirada en las luces de gas de las antiguas barcas de pesca del litoral Mediterráneo, dota de nostalgia y calma a todo lo que la rodea. Winch es quietud y melancolía en su estado más puro.

*Inspired by the gas lights of the old fishing boats on the Mediterranean coast, it exudes nostalgia and calm. Winch is stillness and melancholia in their purest state.*

Goula/Figuera

# Han

Han no es una lámpara de pared. Tampoco un colgador. Es ambas cosas a la vez.

Un elemento decorativo que ilumina; una lámpara que, además, sirve de perchero. Han es una solución polivalente, funcional, adaptada a las necesidades de la actualidad. Han aporta una iluminación de soporte a la misma vez que tiene un carácter escultórico decorando las estancias incluso cuando no está encendido.

*Han is not a wall light. Nor is it a hanger. It is both things at the same time.*

*A decorative element that provides light; a lamp that, as well as providing light, functions as a coat stand. Han is a multi-purpose, functional solution adapted to today's needs. Han is ideal for both private spaces and for public spaces. Its sculptural quality also decorates living rooms when it is switched off.*

Goula/Figuera

# Nit

new

Se acerca la noche y los dormitorios adquieren funcionalidades diferentes a las del día. Con Nit, disfrutarás de dos objetos en uno solo: mesita de noche y luminaria de pared. Altamente decorativa, con un toque retro, es perfecta para espacios reducidos o dormitorios de decoración minimalista. Realizado totalmente en metal y disponible en blanco y en negro. Nit te encantará ya que no requiere instalación. Incorpora cable con interruptor y enchufe para que puedas usarlo de una forma más cómoda.

*Night falls and bedrooms acquire functionalities that are different from during the day. With Nit, you will enjoy two objects in one: bedside table and wall light. Highly decorative, with a retro touch, it is perfect for small spaces or bedrooms with minimalist decor. Entirely made from metal and available in white and black. You will love Nit, since it requires no installation. It includes a cable with a switch and socket so you can use it more comfortably.*

Jordi  
Busquets

Sonríe. Esta simpática luminaria de pared acompañará tus ratos de lectura, haciéndolos más placenteros. Smile es una propuesta altamente funcional gracias a sus reducidas dimensiones y a su pestaña que permite orientarlo hacia donde más lo necesites. Ideal para situarse a ambos lados de la cama o junto a un sillón, sustituyendo al tradicional y aparatoso aplique de pared. Está disponible en dos acabados: blanco y negro.

*Smile. This lovely wall light will accompany you while you read, making this activity more comfortable. Smile is a highly functional proposal thanks to its small size and its flap that enables you to point it to where you most need it. Ideal for placing on each side of the bed or next to an armchair, it replaces the traditional, flamboyant wall fixture. It is available in two finishes: white and black.*

Nahtrang

# Studio new

Práctica y funcional. Así es Studio. Nacida para ofrecer comodidad a la hora de trabajar, estudiar o leer. Puedes usarla como pinza o como aplique de pared. Un replanteamiento de la ya conocida pinza de lectura, más moderna y actual. Disponible en diferentes acabados para que los combines o elijas el que más va contigo. Ameniza tus jornadas de trabajo, ¿por qué han de ser aburridas si podemos evitarlo?

*Practical and functional. That is Studio. Created to offer comfort while working, studying or*

*reading. You can use it as a clamp or a wall fixture. A rethinking of the well-known reading lamp, but more modern and current. Available in different finishes for you to combine or choose the one most suited to you.*

*Brightens up your working days. Why do they have to be so boring if we can avoid it?*

Jordi  
Blasi

Handy es funcional. Una lámpara para que se desvanece en una práctica bandeja ideada para colocar un libro o donde recargar un teléfono móvil gracias a su dispositivo USB.

*Handy is functional. A lamp that fades into a practical shelf designed to place a book or to recharge a mobile phone using its USB device.*

**Nahtrang**

# Suau

Sensibilidad y tecnología convergen en una nueva manera de entender los cabezales de cama aprovechando recursos tecnológicos como la incorporación de un USB.

*Sensitivity and technology converge in a new way of understanding reading lamps, taking advantage of technological resources like the use of a USB charger.*

Àlex&Manel  
Llusçà

# Room

Un aplique elegante y equilibrado que destaca por su versatilidad y que es capaz de convivir con cualquier tipo de decoración. Disponible con y sin lector, en blanco y en negro. Diseño elegante y atemporal. El aplique de siempre con líneas renovadas. Versión con lector de LED para un mayor confort en dormitorios o salas de estar.

*An elegant, balanced wall lamp that stands out for its versatility and its ableness to coexist with any kind of decoration. Available with and without a reader, in white and black.*

*Elegant, timeless design. The usual wall lamp with renewed lines. Version with LED reader for greater comfort in bedrooms or living rooms.*

Pepe  
Llaudet

# Sabana

Ambientada al más puro estilo Lodge africano, su brazo metálico se caracteriza por la angular entrega de una línea vertical a otra horizontal y por su funcional soporte, que además de romper con las cilíndricas formas, oculta tomas eléctricas.

*Based the "African Lodge" style, the metal arm is characterized by the angular delivery of a vertical line and a horizontal functional support, which, apart from breaking with cylindrical shapes, hides electrical outlets.*

Àlex&Manel  
Llusçà

# Swing

Swing es una lámpara de pared orientable que se caracteriza por una gran versatilidad pudiendo utilizarse como aplique, como lector de cama o como luz de señalización.

Con su diseño moderno, sus líneas redondeadas, dulces y su acabado neutro, Swing se integra en cualquier estancia sin interferir en su decoración.

*Swing is an adjustable wall lamp characterized by great versatility, and can be used as a wall lamp, a bed reader or signalling light.*

*With its modern design, its rounded, sweet lines and neutral finish, Swing can be incorporated into any room without interfering with its decor.*

Estudi  
Ribaudí

# Aurea

Aurea es un análisis sobre la luz, un juego de sombras que crea matices y degradados que nos transmiten nuevas sensaciones. Es simplicidad de las formas, un diseño atemporal.

Firmado por Estudi Ribaudí, es un aplique práctico y equilibrado nacido como “una síntesis de la luz de mesita de noche llevada a la mínima expresión”.

*Aurea is an analysis on light, a game of shadows that creates shades and degrees that transmit new sensations to us. It is simplicity of form, a timeless design.*

*Signed by Estudi Ribaudí, it is a practical, balanced wall lamp born as “a synthesis of the bedside table light taken to its minimum expression.”*

Estudi  
Ribaudí

# Ovo

Ovo nos proporciona un diseño que se integra plenamente en los espacios, los ilumina; nos ofrece diferentes formas, consiguiendo efectos y juegos que los enriquecen.

Gracias a su pantalla orientable, es capaz de iluminar de múltiples maneras en función de las necesidades del momento. Se trata de una ingeniosa solución que invita a un juego funcional y estético que permite crear infinitos efectos de iluminación en lo que sus autores definen como “un eclipse lumínico y creativo”.

*Ovo offers a design that can be fully integrated into spaces and lights them: It offers different forms, achieving effects and games that enrich them.*

*Thanks to its moveable shade, it can light up in multiple ways, depending on the needs of the moment. It is an ingenious solution that invites you to a functional, aesthetic game that enables the creation of endless lighting effects defined by its authors as “a lighting and creative eclipse.”*

Àlex&Manel  
Llusçà

# Twin

Twin nos permite descubrir su doble naturaleza: rugoso y áspero en su interior, pero puro y transparente en su parte más visible. Una doble personalidad para un modelo de líneas puras y limpias, que juega con la transparencia.

*Twin allows us to discover its double nature: rugged and rough inside, but pure and transparent in its most visible. A split personality for a model of pure and clean lines, playing with transparency.*

Àlex&Manel  
Llusçà

Un cristal arenoso y una estructura de metal en marrón óxido confieren a este modelo una rústica apariencia.

*Sanded glass and a rust brown metallic structure give this model a rustic appearance.*

Nahtrang

# Lao

new

Lao es contraste. Una re-edición del tradicional foco, convertido en un objeto decorativo dotado de la tecnología LED. Versátil en sus funcionalidades y en sus acabados. Es elegante y sobrio, con un toque actual gracias a la aplicación del acabado cobre. Puedes elegir la combinación del cobre con el blanco o, si lo prefieres, negro y cobre.

*Lao is contrast. A re-edition of the traditional light bulb transformed into a decorative object with LED technology. Versatile in its functionalities and its finishes. It is elegant and understated, with a modern touch thanks to its copper finish.*

*You can choose the copper and white combination or, if you prefer, the black and copper one.*

Àlex&Manel  
Lluscà

# Cup

Cup es una serie diseñada por Alex & Manel Lluscà cuya estética nostálgica nos traslada a la década de los sesenta. Esta familia está disponible en la versión de foco, aplique de dos y tres luces y plafón de 4 luces, además de la versión proyector. La combinación de colores y su acabado le confieren un aspecto clásico renovado. Gran importancia de los detalles y la posibilidad de dirigir el haz de luz gracias al sistema articulado.

*Cup is a series designed by Alex & Manel Lluscà, whose nostalgic aesthetic transports us back to the 1970s. This family is available in the bulb version, the wall lamp with two and three lights and the ceiling lamp with four lights, as well as the projector version. The combination of colours and their finishes gives it a renewed classic appearance. Great significance of details and the possibility to direct the light beam thanks to the articulated system.*

Àlex&Manel  
Llusçà

# Ring

Línea de proyectores, con multi-articulado clásico y mezcla de colores con cromo, que dan a la colección cierto aire automovil-retro.

*Projector line with a classical multi-jointed mixture of colours with chrome, giving the collection a certain retro style.*

Conillas

# Just Fan

Ventilador con motor DC de estilo industrial con cuerpo de metal y palas de policarbonato transparente.

Just Fan es la expresión de la sencillez y el minimalismo. Un ventilador vintage en su estado más puro.

*Fan with DC motor, with an industrial style, metal body and transparent polycarbonate blades. Just Fan is the expression of simplicity and minimalism. A vintage fan in its purest state.*

Conillas

# Winche

Winche es un ventilador de techo de grandes dimensiones que incorpora luz, aumentando así sus prestaciones. Además, es ideal para los espacios exteriores ya que está dotado de un índice de protección 44 contra polvo y agua. Funciona con tecnología motor DC lo que lo hace más ligero, silencioso, sostenible y con una vida útil más prolongada.

*Winche is a large ceiling fan that incorporates light, thereby providing more benefits. It is also ideal for outdoor spaces, since it has a protection index of 44 against dust and water. It functions with DC motor technology, making it lighter, more silent, more sustainable and giving it a longer useful life.*

Jordi  
Busquets

# Typhoon

new

Colossal y con una personalidad imponente. Typhoon es un ventilador de techo que incorpora cuatro palas aerodinámicas que incrementan su eficiencia y velocidad. Typhoon presenta altas prestaciones gracias a su motor DC y a su índice de protección 44 contra agua y polvo. Ambos aspectos lo convierten en una opción ideal para ubicarlo tanto en ambientes de interior como en exteriores.

*Colossal with an imposing personality. Typhoon is a ceiling fan that incorporates four aerodynamic blades that increase its efficiency and speed. Typhoon offers great benefits thanks to its DC motor and protection index of 44 against water and dust. Both aspects make it an ideal option to use it either on the inside or the outside.*

Conillas

# Tube

new

Tube es la versión cilíndrica de Just Fan. Incorpora motor DC, dispone de 6 velocidades regulables mediante mando a distancia incluido y tiene función inversa para su uso tanto en verano como en invierno.

*Tube is the cylindrical version of Just Fan. It includes a DC motor, has six speeds regulated via a remote control and has a reverse function for it's use in both summer and winter.*

Conillas

# Mini eterfan

Llega la versión mini del modelo Eterfan, un ventilador ideal para pequeños espacios. Incorpora motor DC fabricado en metal, cuerpo de cristal y palas de policarbonato transparente. Dispone de 6 velocidades regulables mediante mando a distancia incluido y de función inversa verano-invierno.

*The mini version of the Eter Fan model is here, an ideal fan for small spaces. It incorporates a DC motor manufactured in metal, a glass body and transparent polycarbonate blades. It has six speeds regulated via a remote control and has a summer-winter function.*

Conillas

# Eterfan

Eterfan es una revolución en el diseño de los ventiladores de techo. Combina lo mejor de los procesos artesanales con las últimas tendencias en ventilación. Un diseño auténtico, un toque de aire fresco que no deja indiferente a nadie.

*Eterfan is a breakthrough in ceiling fan design. It combines the best of traditional processes with the latest trends in ventilation. An authentic design, a gust of fresh air that leaves no one indifferent.*

Estudi  
Ribaudí

# Ice

Ice es un ejercicio de integración entre el viento y la luz, transformándolo en un solo elemento. Incorpora kit de luz LED. Su motor está fabricado en acero, sus palas son reversibles en blanco y arce y su difusor de cristal opal. Funciona a 3 velocidades regulables mediante mando a distancia incluido.

*Ice is an integration exercise between the wind and the light, trying to transform them into a single element. It incorporates light. Its motor is built in steel. Its blades are reversible in white or maple. It works with 3 speeds adjustable with the wireless remote.*

Conillas

# Disc

Disc surge del ejercicio de convertir una luminaria en un ventilador. Se buscaba crear algo diferente, un ventilador tecnológico con luz arriba y abajo. Incorpora motor DC lo que supone una mejora y un aumento de sus prestaciones y durabilidad. Accionado por mando a distancia incluido.

*Disc comes from the exercise of turning a lamp into a ceiling fan. The aim was to create something different, a technological fan with light both up and down. It's DC motor.*

Jordi  
Busquets

Wind es “un ventilador mono-cuerpo, de líneas imperecederas, que se integra en el ambiente de forma discreta. No es un producto estridente, al contrario, está pensado para ofrecer bienestar y descanso”. Ideado para dar bienestar y descanso, es un ventilador de formas sencillas y claras.

*Wind is “a single-body fan with timeless lines, that discreetly becomes part of the environment. It is not a strident product, on the contrary, it is designed to offer wellbeing and rest.” Designed to provide wellbeing and rest, it is a fan with simple, clear forms.*

Conillas

Primero fue la motocicleta, después las luminarias y ahora... Faretto. La histórica motocicleta italiana Vespa 1946 se ha convertido en una auténtica fuente de inspiración. Más que un ventilador es una forma de vida: amor por lo minimalista, por las tendencias y por lo actual.

*First there was the motorcycle, then the fixtures and now... Faretto. The historic 1946 Italian Vespa motorcycle has become a real source of inspiration. More than a fan, it is a way of life—a love note to minimalism, the latest trends and current style.*

Faro  
Team

Un ventilador con luz diseñado especialmente para ambientes coloniales, rústicos o clásicos. Se acciona mediante mando a distancia incluido y dispone de 3 velocidades regulables. Este ventilador dispone de función inversa, por lo que se puede utilizar también en invierno, mejorando la eficiencia y el uso de la calefacción.

*A fan with light especially designed for Colonial, rustic or classic environments. It is activated through a remote control and has three regulable speeds. This fan has a reverse function, so it can also be used in winter, making heating more efficient.*

Estudi  
Ribaudí

# Nova

Ventilador diseñado por Estudi Ribaudí que se integra perfectamente en el ambiente. Este ventilador de techo de diseño dispone de 3 velocidades que se accionan mediante mando a distancia incluido. Incorpora función inversa para poderse usar también en invierno mejorando la eficiencia del sistema de calefacción.

*Nova is a fan that seems to disappear, creating an atmosphere of calm, thanks to its smooth and quiet presence.*

# Cat

Cat es una lámpara portátil de Nahtrang en policarbonato que produce una luz suave y muy agradable. Cámbialo de sitio, déjalo en un rincón, llévalo contigo o cuélgalo para crear espacios nuevos y sorprendentes en un santiamén. Sorprende con las posibilidades del espacio y la luz creando una decoración nueva para cada ocasión.

*Cat is a portable Nahtrang lamp in polycarbonate that produces a soft and very pleasant light. Change its location, leave it in a corner, take it with you or hang it to create new, amazing spaces in no time. Amaze with the possibilities of the space and light by creating a new decoration for each occasion.*

Àlex&Manel  
Llusçà

Jarret es un portátil translúcido blanco mate, objeto de día y luminaria de noche. Un auxiliar imprescindible de luz cálida y ambiental en el que puedes sentarte y conversar relajadamente. Divertido y rompedor: esencia de verano en estado puro.

*Jarret is a matte white translucent portable lamp, an object by day and light fixture by night. An essential, warm light and atmospheric auxiliary on which you can sit down and have a relaxed conversation. Fun and ground-breaking: the essence of summer in its pure state.*

Pepe  
Llaudet

# Versus

Simple, integrable y versátil.  
Objeto contemporáneo y de  
geometría clásica que se forma a  
partir de dos elementos cónicos  
del mismo material y natura-  
leza unidos formando un solo  
elemento lumínico singular.  
Realizado en polietileno y con  
IP44.

*Simple, easily-integrated and ver-  
satile. A contemporary object with  
a classic geometrical design formed  
from two conical elements of the  
same type and material, to form a  
single, unique light-  
ing element. Made  
of polyethylene  
and rated  
IP44.*

Àlex&Manel  
Llusçà

Llega la distensión y el disfrute de la mano de Nuk, una lámpara portátil altamente decorativa pensada para disfrutar plenamente de la vida en el exterior.

*Relax and enjoyment come with Nuk, a highly decorative portable lamp intended to fully enjoy life overseas.*

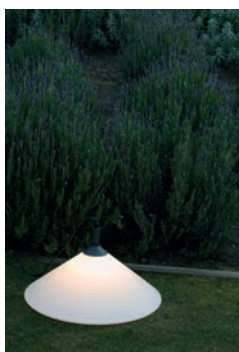

Nahtrang

Hue es una colección de luminarias para exterior que sorprende no sólo por su diseño sino también por las versiones que presenta: lámpara de pie, portátil y suspensión. Permiten ser situados donde se prefiera y cambiar su ubicación en cualquier momento. Con esta colección podrás disfrutar al máximo de exterior de una forma cómoda y sostenible. Fabricada en España.

*Hue is an amazing collection for outdoor lighting, not only for its design, but also for the versions it comes in: floor, portable and suspension lamp. To be placed*

*wherever you want and their location to be changed at any time. This collection will allow you to enjoy this outdoor space to the max in a comfortable and sustainable way. Made in Spain*

Àlex&Manel  
Lluscà

# Shadow new

Juego de luces y sombras llegan de la mano de esta sorprendente creación. Shadow reinventa el concepto de las balizas de jardín, haciéndolas más decorativas. Con Shadow podrás disfrutar de tus ambientes exteriores de una forma divertida y sostenible. Sitúa varias luminarias a lo largo de un sendero y conseguirás en asombroso efecto.

*A mix of light and shadows comes with this incredible creation.*

*Shadow reinvents the concept of garden torches by making them more decorative. With Shadow, you can enjoy your outdoor environment in a fun and sustainable way. Place several lights along a path and you will get an incredible effect.*

Àlex&Manel  
Llusçà

# Cross

Destaca por sus líneas modernas y por la combinación de materiales: aluminio inyectado en su estructura externa y policarbonato en su interior.

*It stands out for its modern lines and for the combination of materials: injected aluminium in its outer structure and polycarbonate in its interior.*

Estudi  
Ribaudí

# Bu-oh!

new

Es medianoche y un sigiloso e inquietante camino se abre paso en el jardín. La amenazadora oscuridad lo invade y en ella un par de grandes ojos brillantes aparecen.

Es bu-oh!, una colección de luminarias para exterior de apariencia intimidante con una elegancia y belleza incomparable. Bu-oh! es ideal para la señalización de los ambientes exteriores. Su luminaria de pared complementa esta colección, haciéndola más versátil y completa.

*It is midnight and an unsettling and winding path opens up in the garden. Invaded by threatening darkness, a pair of big bright eyes appear. It is Bu-ob!, a collection of outdoor lights with an intimidating appearance and incomparable elegance and beauty. Bu-ob! is ideal for signposting outdoor environments. This collection also includes wall lights, making it more versatile and complete.*

Lucid

# Sticker

new

Estilizada y sostenible. Así es Sticker, una colección formada por una baliza y una luminaria de pared que combina el diseño más actual con la última tecnología LED. Sticker emite luz difusa en sus casi 360 grados ya que deja pasar la luz tanto por ambos lados de la luminaria como por la parte baja de su difusor, ofreciendo un gran confort visual.

*Stylish and sustainable. This is Sticker, a collection comprising a torch and wall light that combines the latest design with the latest LED technology. Sticker emits diffuse light almost 360 degrees, since it lets light through both sides of the lamp and through the part under its diffuser, offering great visual comfort.*

Estudi  
Ribaudí

Grow es una familia de luminarias LED de exterior diseñada por Estudi Ribaudí y compuesta por un aplique, una baliza pequeña y otra de mayores dimensiones realizadas en aluminio y en gris oscuro. A esta última se le puede adaptar un macetero que se comercializa independientemente como accesorio. De esta manera se configura un nuevo producto que satisface, a la vez, necesidades de iluminación y de exterior.

*Grow is a family of external LED light fixtures designed by Estudi Ribaudí and comprising a wall lamp, a small beacon and another larger one made in aluminium and in dark grey. It is possible to adapt a plant pot to the latter and it is sold separately as an accessory. In this way, a new product is configured that meets lighting and outdoor needs at the same time.*

Conillas

# Shelby

Shelby es la revisión de un clásico. Aplicando la nueva tecnología, se han mejorado sus prestaciones: ofrece luz en 360 grados uniformemente.

*Shelby is the revision of a classic. Applying new technology, we have improved its performance. A model that provides light at 360°.*

Estudi  
Ribaudí

# Tram

Tram es una serie que se adapta a los espacios aportando valor y armonía.

Formas simples, elegancia, para crear espacios naturales, en perfecta sintonía.

*Tram is a series that is adapted to spaces, thereby providing value and harmony.*

*Simple forms and elegance to create natural spaces in perfect tune.*

Àlex&Manel  
Lluscà

# Tau

Tau presenta un diseño compacto y sólido, convirtiéndose en una solución para iluminación de exteriores altamente estética. Consigue una agradable iluminación radial sin apenas contaminación lumínica. Un equilibrio estético y funcional que sorprende, a partes iguales, por su sobriedad y carácter.

*Tau has a compact, solid design, becoming a highly aesthetic solution for outdoor lighting. Achieve pleasant radial lighting with hardly any light pollution. An aesthetic, functional balance that is amazing, in equal measure, for its restrained nature and character.*

Àlex&Manel  
Llusçà

# Datna

Construida en aluminio inyectado gris oscuro y policarbonato blanco, la serie Datna se compone de sobremuro, balizas, farola y aplique. Un conjunto de elementos funcionales, resistentes y modernos que dan solución a todas las necesidades de iluminación de terrazas y jardines. Diseño de línea minimalista y volumen monolítico.

*Built in dark grey injected aluminium and white polycarbonate, the Datna series comprises wall lamps, beacons, street lamps and wall lamps. A set of functional, resistant and modern elements that provide a solution to all the lighting needs of terraces and gardens. Minimalist lines design and monolithic volume.*

Àlex&Manel  
Llusçà

# Yak

Minimizar el espacio y conseguir nuevas formas no convencionales gracias al uso de la tecnología LED. La sencillez de líneas, la intersección de volúmenes y la redondez de sus aristas acarician el espacio que la envuelve.

*Minimising space and achieving new unconventional shapes through the use of LED technology. The simplicity of lines, the intersection of volumes and the roundness of its edges caress the space around it.*

Estudi  
Ribaudí

# Sentinel

Sentinel nace de un ejercicio de síntesis de la forma, que como resultado nos ofrece una colección de formas suaves y de marcada personalidad. Fabricada en aluminio inyectado y con difusor de cristal transparente.

*Sentinel comes from the synthesis of form, and the result provides us with a collection of soft shapes with real personality.*

Estudi  
Ribaudí

# Bird

Bird es una serie inspirada en la papiroflexia japonesa, una cultura que buscaba la permanente armonía en sus espacios abiertos.

*Bird is a series inspired by Japanese origami, a culture that sought permanent harmony in open spaces.*

Estudi  
Ribaudí

# Steps

Steps es una composición tubular que provoca una sensación creciente en el espacio. Su juego de luces superior e inferior acentúa esta sensación.

*Steps is a tubular composition that gives a growing sensation in the space. A set of upper and lower lights accentuates this feeling.*

Àlex&Manel  
Llusçà

# Klamp

Estética y funcionalidad se dan la mano en esta serie de líneas contemporáneas y estilizadas. Colección diseñada por Àlex&Manel Llusçà de líneas modernas, fabricada en aluminio inyectado y difusor en policarbonato opal.

*Aesthetics and functionality come together in this series of contemporary and stylish lines.*

*Colección diseñada por Àlex&Manel Llusçà de líneas modernas fabricada en aluminio inyectado y difusor en policarbonato opal.*

Àlex&Manel  
Lluscà

Plec es una serie de luminarias LED en acero y PVC compuesta por un aplique y varios colgantes extensibles. Firmada por Manel Lluscà, Plec es perfecta para crear ambientes confortables gracias a su inspiración industrial vintage. Con la mirada en pasadas pero cercanas tendencias post-industriales.

*Plec is a series of steel and PVC LED light fixtures comprising wall lamps and several extendable pendants. Signed by Manel Lluscà, Plec is perfect for creating comfortable atmospheres thanks to its vintage industrial inspiration. Looking to past but nearby post-industrial trends.*

Estudi  
Ribaudí

# Newport

Newport es una lámpara que se inspira en el retorno a los objetos auténticos y entrañables.

Nos transporta al romanticismo de principios de siglo... A una estética atemporal y fuera de toda moda.

*Newport is a lamp that evokes a return to authentic and intimate objects.*

*It transports us to the romanticism of the beginning of the century ...*

*A timeless appearance beyond all fashion.*

Faro  
Team

# Moon

Es la búsqueda de la esencia de la luz, la simplicidad en la forma. Un plenilunio que inunda de luz todo a su alrededor.

*It is the search for the essence of light, and simplicity in shape. A full moon that floods everything around it with light.*

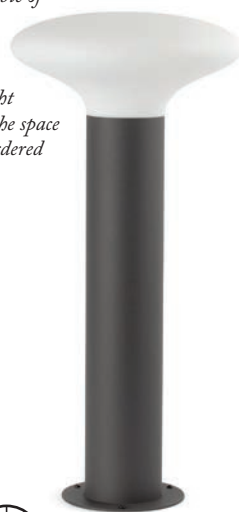

Estudi  
Ribaudí

# Blub's

Blubs es como una burbuja de aire que emana de la tierra; sus formas se difuminan con la luz y complementan el espacio de una forma simple y ordenada.

*Blubs is like a bubble of air emanating from the earth. Its shapes are softened by the light and complement the space in a simple and ordered way.*

Àlex&Manel  
Llusçà

# Muffin

Una serie de diseño divertido e informal realizada en aluminio inyectado y pantalla blanca plisada de PMMA opal. Una propuesta de estilo atemporal capaz de encajar en diferentes exteriores.

*A series with a fun and informal cast aluminium design with a pleated white opal PMMA shade. A timeless proposal capable of fitting into various outdoor atmospheres.*

Faro  
Team

# Mistu

Simpático diseño para una serie de gran versatilidad. Un difusor de polimetacrilato (PMMA) procura una excelente luz, perfectamente tamizada.

*Pleasant design for a highly versatile series. A polymethacrylate (PMMA) diffuser provides excellent, perfectly proportioned light.*

Nahtrang

# Tone

new

¿Qué sucede cuando replanteas lo ya establecido? Ese fue el punto de partida en la creación de Tone, una luminaria de pared de exterior que reinventa y reformula al ya conocido aplique. Tone presenta una alta resistencia a las inclemencias medioambientales gracias a su índice de protección y a sus materiales. Su difusor opal le permite emitir luz difusa y acogedora para los ambientes exteriores.

*What happens when you rethink established ideas? This was the starting point in the creation of Tone, an outdoor wall light that reinvents and reformulates the well-known concept of the light fixture.*

*Tone has a high resistance to inclement weather thanks to its protection index and materials. Its opal diffuser allows it to emit diffuse, cosy light for outdoor environments.*

Nahtrang

# Half

Una elegante forma de vestir las paredes exteriores. Unas formas mínimas dejan entrever un punto de luz en cada lugar donde las colocamos. Sus limpias líneas la convierten en una pieza atemporal de fácil colocación en todo tipo de contextos.

*An elegant way to dress up the exterior walls. Minimal forms hint at a point of light in every place where we place them. Its clean lines make it a timeless piece of easy placement in all kinds of contexts.*

Estudi  
Ribaudí

# View

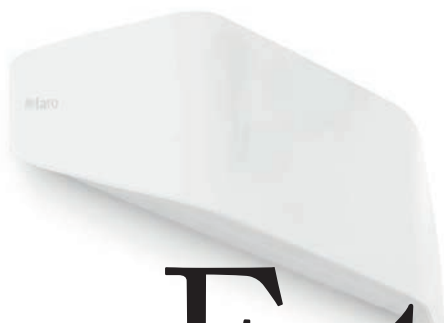

Perfecto para la iluminación puntual de jardines y terrazas a los que aporta distinción y carácter con gran sutileza. Se trata de una luminaria de formas futuristas que representa un paso hacia delante sin renunciar a los espacios arquitectónicos y que, según sus autores, "integra el equilibrio entre la innovación y la realidad". Un paréntesis de luz que contribuye a la creación de atmosferas tranquilas y relajadas en las que disfrutar de noches y atardeceres.

*Perfect for the appropriate lighting of gardens and terraces, to which it gives distinction and character with great subtlety. It is a light fixture with futuristic forms that represents a step forward without renouncing the architectural spaces and that, according to its authors, "comprises the balance between innovation and reality." A light parenthesis that contributes to the creation of relaxed, peaceful atmospheres in which to enjoy nights and sunsets.*

Estudi  
Ribaudí

# Future

Future es un aplique para exteriores que se caracteriza por un atractivo y decorativo juego de luz indirecta. Su forma suave y apaisada genera un efecto mimético con su entorno.

*Future is an outdoor fixture characterised by an attractive and decorative set of indirect lights. Its smooth, flat oblong shape blend into its surroundings.*

Estudi  
Ribaudí

# Code

Code es un eclipse de luz, un camino de círculos concéntricos que nos acompañan de una forma casi imperceptible.

*Code is an eclipse of light, a path of concentric circles that accompany us almost unnoticed.*

Àlex&Manel  
Llusçà

# Àncora

Una estructura realizada en aluminio inyectado resguarda la fuente lumínica de este applique, emitiendo luz indirecta arriba y abajo y bañando la superficie sobre la que esté ubicado.

*A cast aluminium structure protects the light source in this fixture, emitting indirect light up and downwards and bathing the surface on which it is fitted.*

Àlex&Manel  
Llusçà

# Proa

Luminaria, realizada en aluminio inyectado. Destaca por su doble funcionalidad ya que puede ser colocado hacia arriba, como aplique, o hacia abajo, como bañador de pared.

*Cast aluminum fixture. Noted for its dual functionality as it can be installed upwards, as a wall fixture, or downward, as a wall washer.*

Àlex&Manel  
Lluscà

# Dragma

Sobrio y funcional. Así es Dragma, un aplique de pared que se integra en el espacio gracias a su versatilidad: puede iluminar arriba, abajo o a ambos lados a la vez.

*Uncluttered and functional. This is Dragma, a wall fixture that integrates into the space thanks to its versatility: can direct light upwards, downwards or both at once.*

Àlex&Manel  
Llusçà

# Ceres

Sumergidos en la atmósfera que se recrea en los castillos del Valle del Loira, hemos conseguido estos modelos de un estilo muy particular, afrancesado y eternamente actual.

Ceres, un aplique con formas clásicas, fabricado en aluminio inyectado, policarbonato opal y cristal transparente.

*Submerged in the atmosphere that is recreated in the castles of the Loire Valley, we have created these models from a very particular style that is French and eternally contemporary.*

*Ceres, a wall lamp with classic forms, manufactured in injected aluminium, opal polycarbonate and transparent glass.*

Àlex&Manel  
Llusçà

# Helmet

new

Inspirado en la estética post-industrial, Helmet es un plafón de estilo vintage que acompaña y adorna los techos tanto de viviendas como de hoteles y restaurantes. Ofrece luz directa y consigue adaptarse tanto a estilos rústicos como naturales o retro. Helmet está disponible en blanco roto y en marrón envejecido.

*Inspired by the post-industrial aesthetic, Helmet is a vintage style ceiling lamp that accompanies and adorns the ceilings of homes, as well as hotels and restaurants. It offers direct light and manages to adapt to rustic, natural or retro styles. Helmet is available in off white and vintage brown.*

Alegre  
Design

# Toni

Toni es un proyector de estaca orientable y a prueba de corrosión que puede instalarse directamente en el suelo o en cualquier jardinera. Experimenta iluminando rincones y plantas o juega con las sombras que proyectan sus hojas; ¡las posibilidades son infinitas!

*Toni is a projector with a moveable and corrosion proof pile that can be installed directly on the ground or in any planter. It experiments by lighting up corners and plants, or plays with the shadows projected by its leaves; the possibilities are endless!*

Àlex&Manel  
Llusçà

# Alfa

Proyector LED para iluminación de exteriores, fabricado en aluminio inyectado. Orientable 90° desde el plano horizontal, es ideal para iluminar jardines y terrazas focalizando la luz donde se requiera.

Esta luminaria cuenta con IP65 que le otorga una alta protección contra la lluvia y los cuerpos sólidos.

*LED projector for outdoor lighting, manufactured in injected aluminium. 90° movable from the horizontal plane, it is ideal to lighting up gardens and terraces by focusing the light where it is needed.*

*This light fixture has IP65, which gives it high protection against rain and solid bodies.*

Àlex&Manel  
Llusçà

# Project

Serie de projectores, realizada en aluminio inyectado y disponible en dos tamaños y acabados distintos. Es totalmente orientable, tanto vertical como horizontalmente.

*Series of projectors, made in cast aluminum and available in two sizes and different finishes. It is fully swivable both vertically and horizontally.*
